

Tibbetts Point Lighthouse Historical Society

- Founded in 1988 -

Tibbetts Point Lighthouse Historical Society
PO Box 683
Cape Vincent, New York 13618

Dear Community Partner,

Tibbetts Point Lighthouse Historical Society has launched our website! Among some of the featured topics are History, Visiting the Lighthouse, and Exploring Cape Vincent - where advertising space is available for local businesses and organizations.

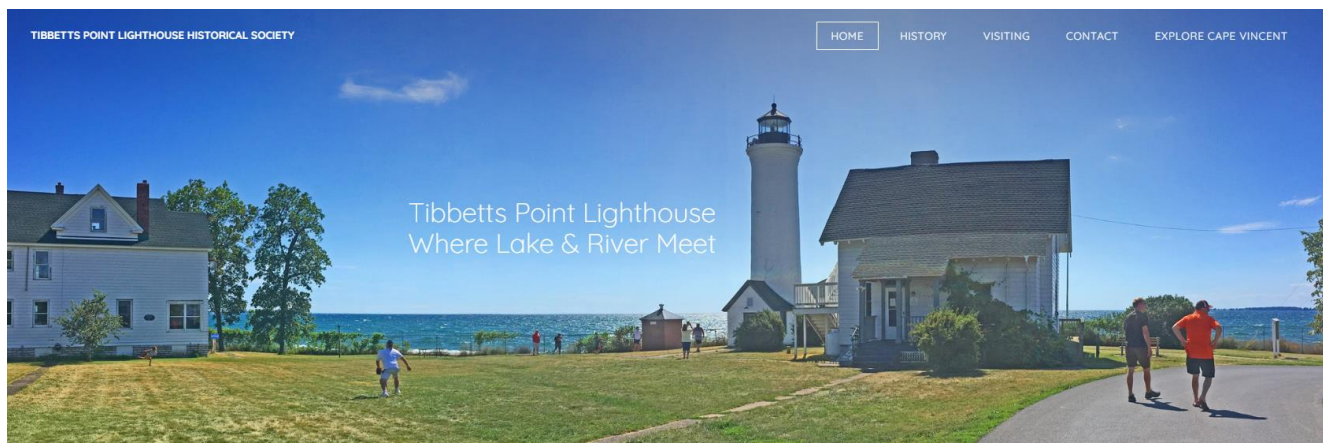

For an annual fee of \$200 your ad will be featured, on a first come – first served basis, on our Explore Cape Vincent page. The ad will be linked to your website, social media or email address. Please submit an image that is 5.5x4.25", at least 200 ppi, and full color to www.tibbettspointlighthouse.org or email to tibbettspoint91@gmail.com Your ads will also be featured across our social media platform and in various printed material throughout the year.

Payment for advertising may be sent to the address above, made payable to Tibbetts Point Lighthouse Historical Society.

Over the years, we have invested almost \$200,000 in improvements and repairs to the lighthouse and grounds. The property is a tourist attraction with 9,200 visitors in 2017 and 9,400 in 2018 signing the guest book in the visitors' center. That doesn't account for the thousands who drive by or just don't sign the book. More detailed information on our visitors will be in our Fall 2019 newsletter.

Please join us in our efforts to highlight the best that Cape Vincent has to offer. We look forward to hearing from you.
